

How to Make a Callout in MS Word 2007

<p>Open a Word document.</p> <p>Click on the Insert Ribbon.</p>	
<p>Click on the down arrow below Shapes. In the Callouts category, click on whatever kind of callout you want.</p>	
<p>Your cursor turns into a plus sign. On your document, click and drag to create your callout shape.</p>	
<p>Type your text.</p>	
<p>Resize the callout by dragging one of its sizing handles. The point of the callout can also be moved – click on the yellow diamond and drag.</p>	
<p>Move the callout by clicking on the border of the callout and dragging it.</p>
