In the lower left corner, you'll see several faint icons.

Clicking on an **arrow** will take you to the previous slide or the next slide.

Clicking on the **pen** will give you drawing choices.

The **ballpoint pen** is the thinnest line

The **felt tip pen** is a little thicker

The **highlighter** is very thick, but transparent.

Change colors of your drawing tools by clicking on **Ink Color**.

You also have access to **Erasers** on this toolbar.
